Dear Father & Mother

I will write
you a few lines this Morn-
to let you know that we
are all well, hope when
those few lines reaches you
they will find you much
better than when I last
seen you. We are having
very nice winter weather
here now the ground is
froze solid and the roads are
in good shape. Every body that
has any hauling to do is busy.
The children are all well.
Nettie & Bill is going tomorrow
on a farm in the Spring

Tried living intown! did
Marion & Emma get Moved
on the farm last fall. I
would be glad to hear from
them. We only have two
boarders now. so I do not
have so very much to do
Carrie is working away
from home this winter she
has been away ever since
the eighth of Sept- she has
an easy place to work only

home about twice a week
she gets two dollars per week.
Dock is at home the most of
the time this winter he
went to Bill Peoples to
day to haul corn as they

School ever since the 3rd
Sept - without missing a
day or being tardy. She is
learning fast.

Well Ma we
have a chance to get some
lots here quite reasonable
and in a nice location.
We want to get four lots
which will make almost
an acre of ground. We want
to build in the spring
and get rid of paying
so much rent. We have
paid enough since we
have lived here to buy a
pretty good home.
I would like to have
one hundred Dollars of

any other time.

I would like to know as soon as you get this, if you can let me have it - or not - and if so how soon can you

send it. - you can send a note or tell me what kind of a note you want and I will sign it - and return it to you.

By asking those favors I will close for this time hoping to hear from you soon.
